

Homework 1: Human Error

Think of an error that happens in your life, describe it and tell whether it is a **slip** or **mistake**.
The answer length should be about one page.

In daily life people have an error whether it is a slip or mistake including me. It has many slips and mistakes in my life. I will give an example of a slip in my life which is eating raw pork in a sukiyaki restaurant. Normally, if we want to eat sukiyaki, we will have to wait for the water in the pot to boil first but one day I went to eat sukiyaki with a friend. I was feeling very hungry that day, combined with I was thinking about work. That's why I didn't notice if the water in the boiler was boiling. So I dipped the pork in a pot and brought it up immediately. This action makes me eat raw pork. This situation is a slip in my life.
